Задание 37 (Написание электронного сообщения)

You have received an email message from your English-speaking pen-friend Bill:

From: Bill@mail.uk
To: Russian_friend@ege.ru
Subject: books
<i>...Yesterday I bought some great books online! Fantasy is my favourite genre, you know. What books do you enjoy reading? Do you prefer e-books or paper books? Why? What book really impressed you? My sister won a prize last week...</i>

Write an email to Bill.

In your message:

- answer his questions;
- ask **3 questions** about his sister's prize.

Write **100–140 words**.

Remember the rules of email writing.

1st paragraph

Dear Bill,

Thank you for your email message. It's
always great to hear from you. Sorry, I haven't
replied earlier, I've been busy with my project.

2d para- answering the questions

In your message you asked me about books. I enjoy reading detective stories and fantasy books as they stir my imagination. To tell the truth, I prefer e-books to paper books, **because** it seems to me, they are more practical and convenient to use. As for the book which really impressed me, it is “The Picture of Dorian Grey”. The plot is gripping and the book is very clever.

3d para

**By the way, I would like to ask you
some questions about your sister's prize.**

_____?

_____?

_____?

3d para

By the way, I would like to ask you questions too. What competition did your sister win the prize in? Was it the 1st prize? Did she win just a Cup or was it a scholarship?

4th para - closing remarks

Sorry , I must finish the email. Mum's on the shoulder. **Write back soon.**

Best wishes,

Nina

Task 38 Письменное монологическое высказывание с элементами рассуждения

Imagine that you are doing a project on **what online purchases are popular in Zetland**. You have found some data on the subject – the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

Clothing — 45%

Consumer electronics — 23%

Footwear — 15%

Household appliances — 10%

Cosmetics — 7%

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant; **and give your comments**
- outline a problem that can arise with doing the shopping online and suggest a way of solving it;
- conclude by giving your opinion on the role of online shopping in our life.

Task 38

Imagine that you are doing a project on **what online purchases are popular in Zetland**. You have found some data on the subject – the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

Clothing — 45%

Consumer electronics — 23%

Footwear — 15%

Household appliances — 10%

Cosmetics — 7%

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant; **and give your comments**
- outline a problem that can arise with doing the shopping online and suggest a way of solving it;
- conclude by giving your opinion on the role of online shopping in our life.

1st para

My project is dedicated to shopping online. The aim of my project is to find out *what online purchases are popular in Zetland*. I have found some data in the form of a bar chart on this subject and I am going to analyze them.

Task 38

Imagine that you are doing a project on **what online purchases are popular in Zetland**. You have found some data on the subject – the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

Clothing — 45%

Consumer electronics — 23%

Footwear — 15%

Household appliances — 10%

Cosmetics — 7%

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant; **and give your comments**
- outline a problem that can arise with doing the shopping online and suggest a way of solving it;
- conclude by giving your opinion on the role of online shopping in our life.

2d para

As we can see from the data, clothing is bought online by the vast majority of the respondents (**45%**), followed by the online shoppers of *consumer electronics* (**23%**). **It is noticeable** that only **7%** of the surveyed buy *cosmetics* on the Internet.

Task 38

Imagine that you are doing a project on **what online purchases are popular in Zetland**. You have found some data on the subject – the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

Clothing — 45%

Consumer electronics — 23%

Footwear — 15%

Household appliances — 10%

Cosmetics — 7%

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant; **and give your comments**
- outline a problem that can arise with doing the shopping online and suggest a way of solving it;
- conclude by giving your opinion on the role of online shopping in our life.

3d para

It is worth mentioning that online purchases of clothing are **three times as popular as** those of footwear. **This can be explained** by the fact that the footwear is more difficult to buy without trying it on.

Task 38

Imagine that you are doing a project on **what online purchases are popular in Zetland**. You have found some data on the subject – the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

Clothing — 45%

Consumer electronics — 23%

Footwear — 15%

Household appliances — 10%

Cosmetics — 7%

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant; **and give your comments**

To solve this problem I suggest organizing ...

4th para Problem and solution to it

While I was working on my project I deduced a serious problem connected with doing the shopping online. Purchasing online is always associated with the risk of being cheated by cybercriminals who can deprive people of their personal data and money. To solve this problem I suggest organizing a wide publicity campaign to raise people's awareness of different kinds of fraud on the Internet. By doing this we will achieve safe shopping online.

Task 38

Imagine that you are doing a project on **what online purchases are popular in Zetland**. You have found some data on the subject – the results of the opinion polls (see the bar chart below).

Comment on the data in the bar chart and give your opinion on the subject of the project.

Clothing — 45%

Consumer electronics — 23%

Footwear — 15%

Household appliances — 10%

Cosmetics — 7%

Write **200-250 words**.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2–3 facts;
- make 1–2 comparisons where relevant; **and give your comments**
- outline a problem that can arise with doing the shopping online and suggest a way of solving it;
- conclude by giving your opinion on the role of online shopping in our life.

5th para conclusion

To conclude, I believe that shopping online plays a very important role in our lives because it saves our time. Furthermore, online purchases are often cheaper.

Thank you for your
cooperation and attention!
