Personal Characteristics and Etiquette

What would be more important for you: your friend or the mark and fairness?

What kind of person would you be?

You are at the lesson and you are given the tests that you wrote last week. You see your mark. You have made several mistakes. Your friend also has made these mistakes but the teacher hasn't noticed them.

What would you do?

Would you tell your teacher about this situation or would you remain silent?

You are in the theatre. The orchestra begins playing. After about ten minutes a man in the audience suddenly begins answering his phone call. He does it very loud.

How would you feel?

What could you do?

What would you do if you knew this man?

What would you do if you didn't know the man?

What would you do?

Would you call your dentist?

You have made an appointment with the dentist for Friday evening. In the morning you have a sore throat but you still have toothache.

What is more important: health of other people or your own health?

How can your choice characterize you?

Your school day is over and you want to go home. Suddenly you see a student from the 3^d form. The boy is nervous, he is afraid of other people. You know that usually he goes home with his mother. Today he is alone.

What would you do?

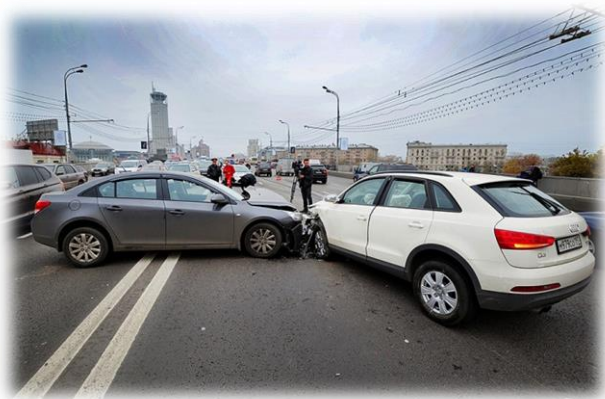

Would you help him?

Would you watch him without being noticed?

What kind of person would you be in such a situation?

Why?

What would other people do?

What would other people think
of you?

You go to school. Suddenly
you see a car accident. One
car has driven into the back of
another. Both cars are quite
badly damaged.

What would you do in such a
situation?

What emotions would you
have?

You are talking to your friend. You are discussing the topic that you are good at, you are a real expert. You hear that your friend is talking absolute nonsense that you can barely understand him/her.

How would you behave?

What would you be the expression of the face?

How would this situation characterize you?

Would you interrupt your friend?

What is more important, truth or friendship?

What would you do?

You are going to the shop. Suddenly you see a man. He looks strange. You think that he has some problems with his health as he has bent double. He looks as if he is going to fall down.

Would you call an ambulance?

Would you ask for help?

What would other people do?

What could other people do?

What would you do?

How could this situation and your actions characterize you?

You are discussing a project with your classmates. Everyone shares his/her opinion. When they ask you, you usually remain silent. Maybe you are nervous to share your opinion, you are afraid that they won't agree with it and will laugh at you.

Would you try to say anything?

What can be the reasons for such behaviour?

How can this situation characterize you?

What would you do?
